## ENGLAND IS PERCEFUL FACTOR

Foreign Minister Urges Nations to Get Together to Mediate Difficulties.  
MEDIATION NOW BELIEVED SOLUTION  
French, German, Italian and English Diplomats to Confer on War Tangle.

LONDON, Eng., July 27.—Glimmers of hope flickered in the darkened sky of European politics today when the great European powers to avert a clash of arms, which might involve many nations, would be successful.

While all the powers were preparing for possible eventualities, their statements with Sir Edward Grey, the British foreign secretary, were endeavoring to bring together the governments at issue with a view to mediation.

Yielded As Far As Possible.  
At the Serbian legation in London, the view was held that some improvement had taken place in the situation and this was attributed to the influence exercised by Russia. Alex. Georgevitch, the first secretary, said:

"We have complied with everything that does not impair our sovereign rights. We hope that Austria-Hungary, in the interests of peace, will recognize that consideration is due to an independent state and so avert war. If, however, Austria-Hungary wants war, she will have seen that we are prepared to accept it in the interests of the dignity of our state."

Grey Proposes Conference.  
Sir Edward Grey invited the governments of Austria-Hungary, Serbia and Russia to suspend operations pending the result of his proposed conference which would be held in London. His suggestion was that the French, German and Italian ambassadors in London should confer with him in the endeavor to find a means of solving the present difficulties. Until late this afternoon, he had not yet received complete replies to his proposal.

German Approves Principle.  
Sir Edward Grey in announcing in the house of commons the steps to be taken to bring about mediation in the Austro-Serbian controversy, said:

"I understand that the German government is favorable to mediation in principle as between Russia and Austria, but to our particular proposal to apply that principle by means of a conference the German government has not replied."

Sir Edward Grey concluded by expressing the opinion that the failure of these efforts to bring about a settlement would lead to the "greatest catastrophe which could befall Europe."

Belgian Army Is Ordered Mobilized  
Brussels, Belgium, July 27.—Partial mobilization of the Belgian army was ordered today, raising the total of the active force to 100,000 men.

## REBELS AGAIN ATTACK

Caillaux Reads Will to Dis- close Alleged Dealings With Hungary.

LATEST ATTACK BY FIGARO AROUSES HIM  
PARIS, France, July 27.—As soon as Judge Louis Albanet and his three associates had taken their seats on the bench this morning for the Caillaux trial, M. Caillaux demanded to be heard. He said:

"The Figaro, having accused me of suborning witnesses, I should like to submit to the court some authentic papers concerning the late Gaston Calmette's relations with the Hungarian government. I have hesitated to use them, but I have decided to do so in view of the Figaro's attitude. I desire also to read the late M. Calmette's will."

Maitre Chenet: "How did you get it?" M. Caillaux: "In the same way that you got my letters."

Proposition to Hungary.  
M. Caillaux afterward said: "I shall not repeat what I have already said about the bonds which unite the Figaro to certain foreign personalities. I merely inform the jury that I place at the disposition of the court authentic documents signed by Gaston Calmette, stipulating in the clearest possible way the conditions under which the Figaro would work in the interests of the Hungarian government."

No report of casualties has been received. This is taken to constitute the first engagement of the war. Intense excitement was aroused when the reports were made public.

Austria Gives Views.  
A communication issued by the Austro-Hungarian foreign office today sets forth the Austrian view of the Serbian reply to Austria's note demanding the cessation of the anti-Serbian agitation and the punishment of those concerned in the assassination at Sarajevo of archduke Francis Ferdinand and his consort. The communication also gives the reasons for Austria's dissatisfaction with Serbia's reply. It follows:

"The object of the Serbian note is to (Continued on Page 3, Column 5.)

## TRUCE ENDS, ARMISTICE REFUSED

FEDERALS DECLINE TO LEAVE ARMS AND AMMUNITION IN EVACUATING THE CITY.

OBREGON ORDERS IMMEDIATE ATTACK

TATOS, Sinaloa, Mex., via Nogales, Ariz., July 27.—The attempt to reach an armistice between the federal garrison holding Mazatlan and the "Constitutionalist" forces under Gen. Obregon, investing the city, has failed and fighting is again in progress.

A conference between representatives of the federal and the "Constitutionalist" forces was held Sunday night on board the cruiser Albany, with foreign consuls and the captains of the Japanese cruiser and of the Albany in attendance.

Obregon demanded that the evacuating garrison leave its arms and ammunition behind it and that the federalists refused to do. Thereupon Obregon ordered that the city be attacked at the first sign of evacuation.

Artillery Fire Begins.  
The truce arranged for the conference expired today and artillery firing began immediately. The federal garrison which evacuated Guaymas is still at Mazatlan closely hemmed in by the "Constitutionalist" forces, whose lines are not three miles distant from the federal outposts.

The Mexican merchantman Benito Juarez left Mazatlan today for Salina Cruz, carrying the families of all the civil and military dignitaries who accompanied Gen. Felix on Guaymas.

REBELS, WARLIKE, CONTINUE ATTACK  
Veracruz, Mex., July 27.—Reports from various points along the railroad from Veracruz to Mexico City indicate that the "Constitutionalist" forces are not ready to cease fighting. A skirmish occurred at Soledad, where a small federal garrison made a successful resistance.

The federal commander at Orizaba, some distance nearer the capital, refused to grant the demand of a "Constitutionalist" officer, claiming that he given an hour in which to sack the city in return for placing them under the command of a federal officer.

COLUMBUS MERCHANT RELEASED BY REBELS  
San Raval, a merchant of Columbus, N. M., was held by the "Constitutionalist" officers at Palomas, Chihuahua, from Friday night until Saturday morning, his relatives here say. Raval went across the border with a wagon load of supplies for the Palomas garrison. His uncle Joseph Raval, of El Paso, was detained and is said to have been accused of aiding the Roque Gomez filibusters, who have been operating near Palomas. A long distance telephone message received Monday morning by Joseph Raval said that his nephew had been released and allowed to return to the American side.

## "Why Harris Lost"; a Statement by Tom Lea

"I regret deeply Mr. Harris's defeat, especially in view of the election of the three anti-ring commissioners. While defeat is not pleasant, I can still smile and be a citizen independent in thought and action. My greatest regret is the shame I feel in the following figures showing the number of poll taxes paid in the seven precincts north of the track and the number who actually voted:

Precinct	Polled	Strength
Precinct 10	133	172
Precinct 11	124	139
Precinct 12	124	139
Precinct 13	121	137
Precinct 14	121	137
Precinct 15	121	137
Precinct 16	121	137
Total	1565	1967
Number polled	1565	

Balance who did not vote.....402  
The above figures together with the purchase like sheep of Mexican voters south of the track is the cause of Harris's defeat. I trust that some time the people of El Paso will awake from their apathy. My duties as county chairman are over and I take this opportunity for their encouragement, independence, and loyalty. I want to commend The Herald for the fight for clean elections and decent government.  
"Tom Lea."

## KILLINGS EXCITE IRISH OF DUBLIN

DUBLIN, Ireland, July 27.—The city of Dublin today was in a state of the greatest excitement over Sunday's conflict between the regular troops of the British army and the Irish nationalists which resulted in the killing of four persons and the wounding of many others, 40 of whom were in hospitals today in a serious condition.

The crowd, finding that soldiers had been ordered to remain in barracks, attacked the Royal barracks where the soldiers were stationed and looted the stores of the barracks. The police were on the scene and the crowd was dispersed.

The nationalist leaders take the most serious view of the affair and will demand reparation from the government.

## BLAME FOR KILLINGS LAID ON OFFICIAL

LONDON, Eng., July 27.—Information as to the occurrence in Dublin, as John E. Redmond, the Irish nationalist leader put it, was demanded immediately after the opening of the house of commons today. Redmond was so dissatisfied with the meager information given him that he moved the adjournment of the house to consider the matter. Augustine Birrell, chief secretary for Ireland, threw the blame for Sunday's conflict between the troops and the public on the assistant police commissioner, who he said, requisitioned the military on his own account. "A skirmish," he said, "had been suspended while an inquiry was made."

The nationalist members shouted: "He ought to be hanged."  
The matter will be debated in the house tonight.

## POOL WINS BY 95 VOTES; SAVED IN PRECINCT 2

Mexican Vote Puts in Ring Candidate for County Judge; County Chairman Tom Lea Charges that the Ring Bought Many Votes; Smith and Ferguson Lead Largely in El Paso County; Antis Will Control Commissioners' Court.

ADRIAN POOL was nominated county judge in the Democratic primaries Saturday by a majority of 95 over Eugene Harris, anti ring candidate.

The anti-ring elected three county commissioners—Seth Orndorff, over Julian Alarcon in precinct 2; George Pendell over S. K. Carpenter in precinct 3; and W. M. Walling, without opposition, in precinct 4. The ring elected James Clifford in precinct 1.

All candidates for county offices were elected by the ring.  
Ten Eys led Domingo Montoya in the race for constable down to precinct 2, where the Mexican vote swayed under the anti candidate for the office.

Pool was elected by the smallest majority of any man on the ring ticket. His total vote being 257, while Harris polled a total vote of 232. Precinct 2 saved Pool also. Harris led him by 51 votes to that precinct. There Pool received 218 votes and Harris 45.

Smith Gets Big Vote.  
Congressman W. R. Smith walked off with practically all the votes in El Paso county. T. B. Blanton's vote was very light. Smith's total was 2241 while Blanton's was 827.

Blanton was overwhelmingly defeated in El Paso county and Ferguson's majority over Ball was also very large. The vote for nomination 316 against 259. Ferguson's vote was 2232 and Ball's 1493.

Seth Orndorff made the best race on the anti-ring ticket.  
For congressman at large, Jeff McLeonore led. At large, Jeff McLeonore received 218 votes and Harris 45.

For congressman at large, Jeff McLeonore received 218 votes and Harris 45.

## SENATE IS HELD BY ANTIS

House May Also Return Majority of Members Against Prohibition.

SUBMISSION LOST; BALL DEFEATED  
Colquitt Sees Senatorial Toga For Himself in Distance; Is Elated.

ASTORIA, Tex., July 27.—The anti-prohibitionists of Texas made a clean sweep in the primary of last Saturday.

According to present indications, James E. Ferguson's majority, which is now 35,000, is expected to reach 50,000 over Thomas Ball.

W. R. Hobby has apparently a safe lead for lieutenant governor over his pro opponent, R. B. Sturgeon.

Antis in the Lead.  
On the face of the returns, the antis will have a working majority in the senate. It is shown that with the hold-over antis and the new ones elected, there will be 15 anti senators in the senate while in the house the result is still in doubt, although it appears as if there will also be a majority of antis in that body.

Submission has been defeated in the state by a small majority.  
Texas Congressmen Re-elected.  
The entire Texas delegation in congress has been re-elected and the contest for congressmen at large seems to have narrowed down between Jeff McLeonore, "Cyclone" Davis and W. P. Lane. These are the leading candidates in the order named.

Colquitt May Be Senator.  
Governor Colquitt, who was at his desk today, is jubilant over the result and predicts that Ferguson's majority will reach 50,000. This places Colquitt in line for his senatorial aspirations. The governor says he believes that the result of the primary "was a distinct rebuke to the political bosses in Texas."

Ballies to Fight.  
Former senator J. W. Bailey, who is at Fort Worth, is quoted as saying he would go to the El Paso convention prepared to make a fight for the acceptance of his view on the tariff question, with particular reference to the free raw material question. Senator Bailey espoused the cause of Col. Ball.

Returns to Now.  
Returns from 120 counties at 12 o'clock today gave the following figures:  
Submission—For, 197,349; against 118,841.  
Governor—Ball, 161,048; Ferguson, 197,349.  
Lieutenant governor—Hobby, 125,312; Sturgeon, 124,977.  
Treasurer—Baker, 108,217; Edwards, 123,871.  
Court of criminal appeals—Davidson, 123,414; Foster, 123,414.  
Commissioner of agriculture—Davis, 124,814; Halbert, 124,814.  
Railroad commissioner—Arnold, 74,699; Mayfield, 145,725.

## BRINGS THREE VOTES FOR HARRIS 108 MILES

Gen. W. Sant came in from Morrison's ranch, El Paso county, Monday morning with the returns from the election Saturday. He rode 108 miles to bring the returns from the four votes cast. Three of these were for Eugene L. Harris for county judge and one was for Pool. There were eight poll taxes paid in the precinct, but only four of the qualified voters cast their ballots.

bar of votes in the county, the number being 218. R. K. Kunt was next with 1123. The other candidates stood: Jas. H. Lowry, 626; W. P. Lane, 232; Daniel E. Garrett, 410; T. J. O'Donnell, 175; L. L. Shield, 256; J. E. Porter, 104; Will A. Harris, 256; J. H. (Cyclone) Davis, 572. There were two of these congressmen to be elected, as El Paso save the nominations to McLeonore and Kane.

For lieutenant governor, R. B. Sturgeon received 2000 votes, while 1885 were cast for W. P. Hobby. Hobby was the "ring" favorite here.

H. B. Terrell, candidate for state controller, received the majority of votes over C. C. Mayfield and J. L. Franklin. Terrell was given 5438 votes, Franklin 733 and Mayfield 437.

While the vote for the candidate for members of the county Democratic executive committee have not been tallied yet, it looks like the ring men won out over the "antis." Judge T. (Continued on Page 3, Col. 5.)

## FERGUSON'S LEAD INCREASING FAST

## PROZCO ABANDONS HIS NEW REVOLT

MEXICO CITY, Mex., July 27.—General Pascual Orozco, Jr., has abandoned his independent revolution and intends shortly to leave for Canada, according to messages intercepted here. He is said to have notified his wife, who has been in Canada for some time, that he will join her soon. The government peace delegates received their final instructions today from the acting foreign minister and expect to leave before night for San Luis Potosi.

The peace delegates are Gen. Lauro Villar, chief of the supreme military tribunal, and Judge Gutierrez Alende of the supreme court. Gen. Villar commended the troops at the national palace when it was attacked by Gen. Bernardo Reyes and Felix Diaz. He was severely wounded.

THE HERALD'S election bulletin service Saturday night even surpassed The Herald's own expectations, it was so complete and entertaining to the crowds.

## Hard on the Readers But Good for Cash Box

A "METROPOLITAN" STROKE THAT FAILED OF APPRECIATION.  
EVEN the fact that The Herald gave complete and definite reports in its splendid bulletin service Saturday night did not relieve the official ring paper from a certain obligation to its subscribers to give them some news Sunday morning.

The fact that all local election news was withheld from subscribers to the regular Sunday edition and was later sold for a nickel a copy as an "extra" was the subject of much jeering comment on "metropolitan news service."

Herald Reader For 30 Years  
Editor El Paso Herald:  
Your editorial of Thursday, July 23, not only was a treat for your readers, but a masterpiece of intellect. I wish every Texan would read The Herald. I have, for 30 years.

## Herald's Bulletin Service Surpasses All Expectations

Carefully digested results, in brief but comprehensive form, gave the crowds the real news. Instead of throwing on the screen a mass of meaningless figures from scattering counties, The Herald carefully compiled the figures and gave the public the result in closely studied, accurate deductions.

Before 10 o'clock The Herald was able to inform the crowds that the election of Ferguson and the defeat of submission was an assured fact. The people packed Pioneer plaza in automobiles and on foot. They stayed until The Herald gave them "Good Night" early Sunday morning. Long before that hour, other bulletin boards had been deserted, and for lack of attendance, had closed down.

Besides the local and state returns The Herald gave the public five reels of moving pictures.  
Sunday morning in an extra, The Herald announced the election of a majority by the anti-ring in commissioners' court and stated positively that all other ring candidates had been elected with the possible exception of Adrian Pool for county judge. Harris at that time was leading, but The Herald announced that heavy Pool precincts were to be heard from and that Pool would probably be elected. Before 2 o'clock The Herald issued an extra announcing the election of Pool.
